Lighthouse and Port Skillion. Port Skillion is one of the finest open-air bathing-places in the United Kingdom, and has carefully shallowed rock-basins for non-swimmers as well as a large swimming-bath 80 feet long by 60 feet wide and 8 feet in its deepest part. Port Skillion Lighthouse (rebuilt in 1893) shows a light which can be seen twenty miles at sea.

Printed in England.
